Diplomas were presented by President James Duncan Phillips of the board of trustees to members of the Class of 1944. The prize awards were made by Headmaster Edward W. Eames.

The dedication of the James Duncan Phillips Building opened the Commencement program on Friday morning after which the Morse Flag ceremony was held. At this ceremony, the highest award of the school year was presented to Francis W. Martin. Mr. Arthur W. Sager directed the glee club in the annual concert in the Lang Gymnasium.

The Bausch and Lomb medal for excellence in the study of science was awarded the same evening to George A. Pollin, Jr., of Oklahoma City, Oklahoma.

PRIZES FOR THE SCHOOL YEAR ARE PRESENTED AT EXERCISES

Headmaster Edward W. Eames presented the prizes for the school year at the graduation exercises this morning.

The *Morse Flag* was awarded to FRANCIS W. MARTIN of Louisville, Kentucky, at a special ceremony yesterday morning. This prize, the highest award of the school year, is donated by the Rev. Glenn Tilley Morse, a member of the school's board of trustees. The award consists of the American flag which has been flying over the campus the past year. The award is made to that member of the senior class whose record in all respects has met with the highest approval of the faculty.

The *Master's Prize*, given each year to a senior who, by his unselfishness and sportsmanship, has best exemplified the spirit of the school, was awarded to REMINGTON A. CLARK, JR., of Winchester.

The *Thorndike Hilton Cup*, for the highest scholastic standing in the senior class went to GEORGE BASIL CHRISTIE, JR., of Watertown.

The *Richard Hawes Francis Scholarship*, given in memory of Richard Hawes Francis of the Class of 1936, was awarded to NATHANIEL DUMMER of Rowley, a collateral descendant of the founder of the Academy.

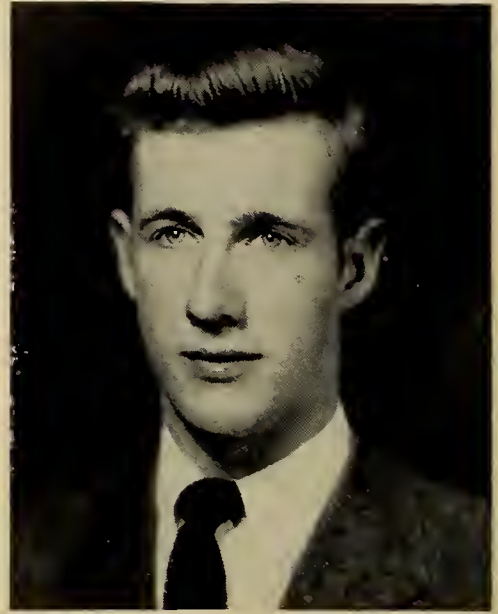

This year for the first time, through the generosity of a former headmaster of the school, Dr. Charles S. Ingham, and other members of the Ingham family, a new scholarship is awarded to help an industrious and able underclassman. The first recipient of the scholarship is WARREN FRANK FURTH of Saranac Lake, New York.

The *Music Prize*, given annually by Mr. Rupert Neily of Portland, Maine, for the understanding and enjoyment of music, to DONALD GERARD PALAIS of Brookline.

The *Goodwin Athletic Prize*, to the senior who has the best all-round athletic record of the year to JAMES CHAMPLIN WAUGH of Portland, Maine. This prize is given annually by Mr. Fred H. Goodwin of the Class of 1916, a trustee of the Academy.

The *Harvard Alumni Prize*, presented by the Harvard Club of Boston to a boy of good scholarship and high character in the junior class was awarded to RICHARD ARTHUR KORNER of Ancon, Canal Zone. The prize was awarded by Mr. Philip M. Morgan of the Board of Trustees.

This year a new prize has been established

SEVEN SPECIAL PRIZE AWARDS ANNOUNCED BY HEADMASTER

In awarding seven special prizes at the Commencement exercises, Mr. Eames said: "Each year we present a few special prizes because it is sometimes more important to find a prize to fit an unusual boy than it is to find a boy to fit an established prize. These special prizes are provided through the generosity of Mr. Milton Dodge of Newburyport.

"TO WILLIAM HENRY MCKENNA of Newton. Editor of the *Archon*, captain of hockey, member of the Glee Club, head-waiter of unquestioned authority, Bill has brought to his varied activities a strong and enthusiastic school loyalty, punctuated by an apt and refreshing wit.

"TO WILLIAM NEAL CAMPBELL, JR. of Kennebunk Beach, Maine, whose original impact on the school resembled a tornado with sound effects. In the course of one year, Bill has made noticeable progress in his studies and, more particularly, in his judgment and self-control.

"Most of the established school prizes are awarded for prominence in scholarship or athletics. In recent years, the work program at Governor Dummer has grown in importance, and I think it is no more than fair to award one or two prizes to boys who have been outstanding workers.

"TO FREDERICK HARRISON JOHNSON, JR. of Bradford. Fred has always chosen the hardest jobs and has always done them well. As manager of the athletic stockroom, his administrative and executive talents were devoted daily to the service of the school.

"SPAULDING BISBEE, JR. of Cape Elizabeth, Maine, an exile from the Maine woods, has borne cheerfully with the confinements of civilization and, fittingly, has captained the old Indian game of lacrosse. In all phases of the work program, whether driving the snow plow or felling trees, Joe Bisbee's willingness has been equalled only by his competence.

"TO WILLIAM JAMES HALE of Newbury, outstanding among the day boys by virtue of his all-round athletic ability, his improvement as a student, and his loyalty to the school.

"TO ANDREW LEHR BRILLHART of Bethlehem, Pennsylvania. Natural, genuine, enthusiastic, Andy's three years at Governor Dummer have been full of solid, satisfactory

accomplishment. Just one more proof of the old saying, "You can't beat the Dutch."

"GEORGE POMEROY KINGSLEY, JR. of Bethlehem, another cheerful Pennsylvanian, who deserves a prize because of his improvement as a scholar, resulting from hard, conscientious work over a period of three years."

BRIEFLY

Mr. Eames gave the address at a dinner held at the Belleville Church in Newburyport on Monday evening, May 29, culminating the observance of Youth Week.

The Headmaster will also give the Commencement address at the Buffalo Seminary, Buffalo, New York, on Thursday, June 8.

EDITORIAL

The *Archon* staff wishes to express its deep and sincere sympathy to Mr. and Mrs. Edward H. Parker, Jr., of 111 Main St., Groveland, Mass., on the announcement by the War Department that their son, Pvt. Edward H. Parker, Jr., Class of 1945 was reported missing in action this January, during the early part of the Italian campaign.

Inducted into the army immediately after the close of school last year, Ted was sent to Camp Croft, South Carolina, where he was trained for combat duty. Among the first of our men to land on Italian soil, Ted saw considerable active service in the short time before he was reported missing.

It is news of this kind that brings home to all of us here at Governor Dummer, and especially to the members of the graduating class, how short is the time before we, too, will take our stand in the battle for decency and democracy. May God watch over and protect the boys who leave our school to fight by land, sea, and air; and may the love of Byfield days keep their hearts singing and their purpose firm.

GOVERNOR DUMMER CHAPTER OF CUM LAUDE INITIATES ELEVEN

Eleven members of the Class of 1944 were made members of the Cum Laude Society at the annual dinner and meeting of the society held on Friday evening, May 19. Cum Laude is the national scholastic society which corresponds to Phi Beta Kappa in the colleges. Membership is based upon high scholastic standing.

The speaker of the evening was Dr. Frank Sweeney, Superintendent of Schools in Newburyport, who was made an honorary member of the Governor Dummer Chapter of Cum Laude. Dr. Sweeney spoke on the effects which aviation would have on the world of the future.

Mr. J. Duncan Phillips delivered the charge to the newly elected members, and Headmaster Edward W. Eames, President of the Chapter, presented certificates of membership to the following: David W. Ambrose of Shirley; Dennis Andersen of Wood's Hole; George B. Christie of Watertown; J. Hall Cushman of Old Bennington, Vermont; Steven K. Kauffman of Delray Beach, Florida; Harry W. Lawson, Jr., of Kalamazoo, Michigan; Paul W. Mullen of Amesbury; George A. Pollin, Jr., of Oklahoma City, Oklahoma; John T. Scott of Germantown, Pennsylvania; James C. Waugh of Portland, Maine; and Alan H. Welch of New York City.

READING HIGH SCHOOL BURIED UNDER 17-6 TOTAL BY GOVERNORS

The Governors baseball team scored eleven runs in the sixth and seventh innings of the game with Reading High School, May 20, to turn what had previously been a close struggle into a rout. Led by the consistent and long hitting of Andy Cushing, Mitch Fish, and Bots Young, the home team piled up nineteen hits and seventeen runs, while the high school boys were unable to do much damage to the offerings of Rem Clark and George Brown.

GOVERNORS SCORE FOURTEEN POINTS IN N. E. SCHOOL MEET

Captain Nick Martin won the 880 in 2:05 and Malcolm von Saltza won the javelin throw with a heave of 162 feet as Governor Dummer's track team placed fifth in the annual New England Preparatory School Meet held at Andover on Saturday, May 20. John Scott with a fourth in the 880 and Arch Kingsley with a fourth in the mile were the other Governor Dummer men to place in the extremely fast competition, which saw Andover and Exeter finish far ahead of the other schools in the meet.

THAYER DEFEATED BY GOVERNOR DUMMER BASEBALL TEAM, 12-7

A continuation of the heavy hitting which marked the Noble and Greenough victory gave the baseball team its second win in a row as it defeated Thayer Academy at Braintree 12-7. Every man in the Governors starting line-up made at least one hit, with George Christie, who pitched the first part of the game, making three. Carpenter, Clark, Cross, Cushing, and Fish were all credited with two hits apiece.

LACROSSE TEAM DEFEATS K.U.A. AFTER FOUR STRAIGHT LOSSES

ANDOVER, EXETER, AND M.I.T. PROVE TOO STRONG FOR GOVERNORS

After bowing to Andover twice, to Exeter, and to Massachusetts Institute of Technology, the Governor Dummer lacrosse team found itself and defeated Kimball Union Academy at Meriden, N. H. by a 9-2 score, May 20. Orm Aldred scored four goals, George Pollin and Chip Stuart added two each, and Paul Withington raised the total to nine against the New Hampshire team.

At the outset of the season, Mr. Murphy was faced with several difficult problems, not the least of which was the fact that more than two-thirds of the squad had never played the game of lacrosse before. Diligent practice and the experience gained in disheartening defeats at the hands of three very strong teams finally produced the season's first victory.

Prospects for a successful season in 1945 seem very bright as few of Captain Joe Bisbee's team are graduating this year. Aldred, Davis, Stuart, and Withington should form a fine nucleus around which to build a strong team.

THE ARCHON OF GOVERNOR DUMMER ACADEMY

GEORGE A. POLLIN, JR.

Member of Cum Laude, member of the Commencement Committee, and winner of the Bausch and Lomb science medal.

BELMONT HILL DEFEATED 19-5 FOR THIRD CONSECUTIVE WIN

Alan Carpenter with four hits and Bots Young with three led a sixteen hit attack on the Belmont Hill School pitching staff which resulted in a 19-5 Governor Dummer victory at Belmont, May 6. After the second inning, there was little doubt of the final result. As in previous games, George Christie and Rem Clark divided the pitching assignment.

TENNIS TEAM DOWNS THAYER 5-1

The Governor Dummer tennis team, minus its number one man, Stan Weil, was victorious in the first match of the season against Thayer Academy at Braintree, May 20. Perhaps the outstanding performance was that of Al Statler, who with match point against him, in the second set, came through with eleven straight games to clinch the match.

The summaries:

Singles

Kent (G.D.A.) defeated Clark (T), 6-2, 6-3

Capt. Collins (G.D.A.) defeated Gullickson (T), 6-8, 6-3, 6-1.

GOVERNORS' WINNING STREAK HALTED BY KIMBALL UNION 13-8

In the first home game of the season, Kimball Union Academy fought back against an early six run lead piled up by the Governors and won a loosely played contest, May 13, by a 13-8 score. Rem Clark and Captain Jim Waugh, who was playing his first game of the year, were unable to hold the visiting hitters in check in the late innings and were handicapped by numerous errors committed behind them. In addition to their pitching tasks, they contributed three hits apiece to the Governor Dummer attack, but it did not prove enough to offset the heavy hitting of the Kimball Union team.

HARVARD LACROSSE TEAM WINS FROM GOVERNORS BY 10-6 SCORE

The lacrosse team lost its fifth game of the season 10-6 when they played the Harvard varsity at Cambridge, May 24. The Governors kept the Harvard team under control in all but the third period. In this quarter, the school team relaxed defensively and Harvard tallied six times to establish a safe lead.

Withington and Stuart each scored three times to set the pace for the Governors.

DOVER HIGH DEFEATS TRACK TEAM IN SEASON'S FINALE

In a very close meet, the Governor Dummer track team ended its season by losing to Dover High School 60 to 56 on Morse Field, May 27. Captain Nick Martin with nineteen points including three first places, was the high scorer of the afternoon. Arch Kingsley in the mile and the low hurdles, John Scott in the half mile, and Mal von Saltza in the shot were the other first place winners for the Governors.

The first place winners:

100 yd. dash—McConnell (D), 10.2 sec.
220 yd. dash—Tinker (D), 23.2 sec.
440 yd. run—Stone (D), 54.7 sec.
880 yd. run—Scott (G.D.A.), 2 min. 6 sec.
Mile run—A. Kingsley (G.D.A.), 4 min. 52 sec.
High Hurdles—A. Murphy (D), 10 sec.
Low Hurdles—A. Kingsley (G.D.A.), 14.9 sec.
Pole Vault—Martin (G.D.A.), 9 ft.
High Jump—Soteropolous (D), 5 ft. 4 in.
Broad Jump—Martin (G.D.A.), 18 ft. 4¾ in.
Shot Put—von Saltza (G.D.A.), 41 ft. 10½ in.
Discus—Harvatty (D), 96 ft. 4 in.
Javelin—Martin (G.D.A.) 141 ft.

GOVERNORS' BASEBALL TEAM TOO STRONG FOR STONEHAM HIGH

Paced by the excellent pitching of Rem Clark and the hard hitting of Captain Jim Waugh, the Governors won their fifth victory of the season from a strong Stoneham High School nine 7-3 on the home field, May 27. The entire team played almost perfect ball in the field and hit hard and often. Fish, Hinckley, and Bots Young, in addition to Jim Waugh, proved to be thorns in the side of the Stoneham pitcher.

WEIL GOES TO THIRD ROUND IN N. E. INTERSCHOLASTIC TENNIS

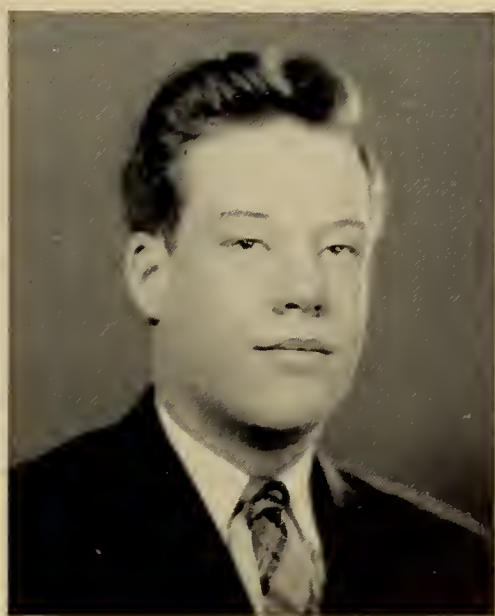

Governor Dummer was represented at the New England Interscholastic tennis meet held at Andover, May 12, by Captain Jack Collins, Stan Weil, Al Statler and Wilson Kent. Weil went to the third round by eliminating Deane of Milton Academy and Ware of Winchester High School, but was forced out by Sharaf of Brookline High School.

8 TO 6 VICTORY OVER LAWRENCE ACADEMY ENDS LACROSSE SEASON

The Governor Dummer lacrosse team wound up its season by winning its second game of the year. Lawrence Academy was the victim by an 8-6 score on its home field at Groton. The Governors opened the scoring in the first period when Aldred and Stuart tallied. Pearson put the team three goals ahead early in the second period, but Lawrence came back to tie it up. However, before the half ended, Stuart scored and the Red and White led 4-3.

Lawrence started the third stanza by tying up the game once more, but Aldred scored again to give the Governors the advantage. Not to be denied, Lawrence equalized and at the end of the third period the score was 5-5. Stuart again put the Governors ahead only to have Lawrence come through once more to make the score six all. With seven minutes left in the game, the two outstanding players of the day, Aldred and Stuart, gave the Governors their margin of victory by scoring two goals.

The game ended a mediocre season for the lacrosse team, but with all except four players returning for next year's team, a good 1945 season should be anticipated.

GOVERNOR'S TIED BY BROOKS IN ABBREVIATED TENNIS MATCH

The Governor Dummer and Brooks School tennis teams were tied 3-3 in a match cut short by agreement at North Andover, May 25. After the Governors had won three of the four singles, it was agreed to shorten the doubles matches because of lack of time. Brooks won both doubles to tie up the match.

The summaries:

Singles

Weil (G.D.A.) defeated Lockwood (B.S.) 6-4, 6-2.
Besse (B.S.) defeated Kent (G.D.A.) 8-6, 7-5.
Collins (G.D.A.) defeated Baring (B.S.) 7-5, 6-3.
Statler (G.D.A.) defeated Boardman (B.S.) 6-1,
2-6, 6-4.

Doubles

Lockwood and Besse (B.S.) defeated Weil and
Kent (G.D.A.) 6-4, 5-7, 3-1.
Baring and Boardman (B.S.) defeated Collins and
Statler (G.D.A.) 7-5.

FINAL BASEBALL GAME TO BE PLAYED AT DEERFIELD ACADEMY

The baseball team will close its season at Deerfield on Wednesday, June 7 when it furnishes the opposition for Deerfield Academy in the latter's commencement game. Deerfield was victorious in last year's game, but the Governors have high hopes of reversing the verdict this year.
